

Class Notes

September 11, 2008

FYI

Please take note of the following...

- Included in the Thursday Folder is *Kid's View*, a Christian magazine, designed specifically for kids. The magazine features great articles on current events, special interest stories, biblical topics, a monthly calendar of events and mission stories.
- School policy dictates that all parents who wish to volunteer at our school must complete a background check and fill out a transportation safety form. These forms are included in your packets. Please return your forms to the school office ASAP.
- Included in your child's returned work is a test item analysis to be completed with the math corrections for their first exam. If you have any questions about the form please email: rpeinado@sasonline.org or you can reach me at 503.366.2770.
- Homework Expectations: All work not completed in class should be completed at home and returned the next day, unless stated otherwise by me. I would encourage your child not to spend more than an hour on tasks not completed in class. If you observe that your child is spending an inordinate amount of time on class work, please let me know so we can collaborate in helping your child complete their assignments.

Upcoming Events & Lunch Calendar

Scholastic Book Orders

A friendly reminder that book orders are due Friday, September 12. If paying by check make your check out to Scholastic. If you need additional order forms stop by the classroom. Your purchases help support our classroom library in acquiring new materials each year.

2, 4, 6, 8 Who Do We Appreciate

I want to take say thank you to all the parents who have volunteered their time, vehicles, energy, money, and food to our classroom over the last 15 days. I could not do my job as easily, if it wasn't for folks like Jocelyn Ahumada, Craig Chabala, Jim Garver, Karen Hawks, Tina Heller, Sue Leipzig, Kristi Loeks, Debbie Messenger, Mechelle Peinado, Mary Sperl, and all the anonymous folks out there who give in ways unknown. Keep us in your prayers. Thank you for making this the best place for the kids (big ones included)! We (I) appreciate you all very much.

Classroom Supplies

I've observed over the last several weeks that many students do not have all their supplies yet. If you are unable to purchase supplies for your child please contact me ASAP. Items noted: scissors, composition notebooks (three are required), graph paper (Mr. McKeone has reams for \$1), washable markers and glue.
