

Class Notes

October 9, 2008

FYI

Please take note of the following...

- Our classroom website has added a new Science section filled with classroom resources and study links to support student learning.
- I need your feedback. I am seriously considering letting go of our classroom's hot lunch on Monday's beginning in November. If you find this service helpful to you and would like it to continue would you send me an email or stop by the classroom and let me know by October 23. Thank you.
- The grading period ends on Friday, October 17. Please encourage your child to turn in any work they have not submitted for credit e.g. papers at the bottom of the backpack, incomplete worksheets, etc. When a student does not turn in a piece of work I have no choice but to give a zero in my grade book. All back work should be turned in no later than Thursday, October 24 by 3:00 p.m. If you need a summary of missing or incomplete work please contact me (email: rpeinado@sasonline.org).

Upcoming Events & Lunch Calendar

| 17 | Quarter ends |
| | Chapel, Pastor Gary |
| 19 | Harvest Festival (4 PM) |
| 20 | No School, Teacher Prep. Day |

Scholastic Book Fair

Our 2nd annual fall book fair begins next week. Look for some great titles to add to your personal library and support our classroom library at the same time. Monday hours begin at 7:45 AM in Krenzler Hall and throughout the week; look for posters and announcements throughout the week.

Field Trip

We are in need of chaperones for our next field trip to the Pumpkin Patch and Portland Corn Maize next Tuesday, October 14. This is a special treat each fall for students to learn a bit about our agricultural past. Each student receives a complimentary pumpkin, bookmark and apple. We also have the opportunity to enjoy Portland's largest CornMaize, a marvel to the human eye to see. Please join us. Sign and return the enclosed permission slip by Monday, October 13. Thank you.

CognitiveGenesis Surveys

Just a note of thanks to all who have returned their parent surveys for a national research study that our school is participating in. Your feedback is essential in helping us continue our strong tradition of character development and academic excellence. It's not too late to turn in your survey. If you need a replacement stop by the office and pick up an extra one.
