

Preconference Form

Dear Parents,

As we get close to conference time, I would like you to take a moment to fill out this sheet before conferences. Use the back of it, if you need more space. This will ensure that we cover all your concerns. Also, it will become part of the file I have on your student. Please cut off the bottom and send it back to school with your child. I look forward to seeing you soon!!!!

Thank you!
